### Performance Advantages.

- Modulator valve packages provide an alternative to individual modulator valves, eliminating possible leak points in the vehicle's air system
- Provides necessary air modulation for proper functioning of the ABS system

### Features and Benefits.

- Meritor WABCO modulator valves are designed to be serviced separately, reducing parts, labor, and vehicle downtime costs
- The nine part numbers above cover over 80% of service requirements in the market
- Additional support literature available; tractor ABS (TP-06109) and tractor ABS modulator valve (TP-0775) wall charts and ABS air systems catalog PB8857AS
- Service and support throughout North America by our industry-leading Customer Service team
