OE quality and outstanding value
give you an air of confidence.

Meritor WABCO all-makes replacement air valves deliver genuine value to your bottom line by enabling fleets to maintain new vehicle performance while reducing operating costs. Engineered and manufactured by a true industry leader, these OE-quality products provide the same form, fit and function as original parts and are part of the proven Meritor® All-Makes Air Systems program (Catalog PB-8857AS).

These new valves can be used as direct replacement for existing competitive valves for tractor, truck, bus and trailer applications – without piping changes. They also save time, cost and space by eliminating the need to sort through replacement valve cores. Plus, they allow you to consolidate purchasing from various suppliers.

With a commitment to bringing innovative high-quality and cost-effective solutions to the commercial vehicle aftermarket, Meritor WABCO is your complete source for vehicle control systems. Not to mention a real source of confidence.

World-class support only a leader can provide.

Outstanding performance isn't limited just to our products. It also comes from our people. All Meritor WABCO commercial vehicle aftermarket products are backed by comprehensive world-class service and support – provided throughout North America by our industry-leading customer service team. For more information, call our customer service team at 888-725-9355 or visit www.XpresswayPlus.arvinmeritor.com for all of your online parts ordering needs.
