

Meritor WABCO
System Saver 1800P

MERITOR WABCO
SYSTEM SAVER 1800P
AIR DRYER

Meritor WABCO
1800P air dryer
provides nearly
TWICE the drying
performance as
Bendix ADIP EP.

MERITOR WABCO

Safety Strong. Efficiency Smart.

Key Features of SS1800P

- Makes use of external purge tank for regenerative air
- Integrates easily into tight packaging spaces
- Designed to fill the needs of high air demand vehicles that have enough time for an adequate purge cycle
- Standard Dryer released for select Mack vehicles
- Designed to fill the need for applications that fall between a single (Typical truck air usage) and the twin (Extreme air usage up to 100% duty cycle)

System Saver 1800P vs. ADIP & ADIP EP

	SS1800P	ADIP	ADIP EP
Weight	11.1 LB	28.2 LB	28.2 LB
Drying Capacity	585 L	200 L	320 L
Back Pressure	12.4 psi	14.5 psi	14.5 psi
Purge Volume	7 L	2.5 L	4 L
Coalescing Filters	.05 g	.05 g	.05 g

Optional Coalescing Cartridge

Coalescing cartridge captures oil and other contaminants

Make a SMART Investment for the Long Haul

The importance of clean dry air is increasing drastically as new vehicle systems, such as an automatic transmission or engine SCR, need clean air for proper function and reduced downtime.

- Coalescing cartridges feature a filter system, which captures the smallest contaminants
- Coalescing cartridges reduce the amount of oil and other contaminants allowed downstream by 99%

System Saver 1800P is the SMART choice

System Performance

- System Saver Family of Dryers
- Provide best-in-class drying performance

Minimized Back Pressure

- Low back pressure increases the product life span
- System Saver has lowest pressure readings
 - One psi is equal to one gallon of fuel saved

Aerosol Protection

- Optional cartridge removes oil and contaminants
- System saver coalescing cartridge is one of the top performing options available in the market

Reduced Maintenance Costs

- The air dryer is designed to reduce maintenance costs, with an easy-to-change, low-cost cartridge
- Service kits that are common with other System Saver air dryers

Total Weight Savings

- Lower weight impacts fuel savings
- System Saver 1800P is lighter than competition

System Saver™ 1800P
